THE CHURCH AT CLAWSON (CLAWSON/ROYAL OAK)

About the Family

My wife, Cindy, and I have been married for 14 years. We are having the time of our lives raising our three crazy, fun boys, Bobby, Tyler and Jaydon. I am a former high school teacher and basketball and soccer coach. We love to play sports, go on bike rides and hang out with Cindy's grandma.

About the Church Plant

We recently changed the name of our church to reflect our new location and community. We are planning to re-launch the church later this year. We have an incredible location right on Main Street. We currently average about 35 people on Sunday morning and would like to launch with 120 people in fall 2017. We have a passion to reach people with the gospel, gather for God's honor and glory and grow strong, reproducing disciples of Christ.

We desire to have a church that first supports and partners with planters in Detroit and then funds and supports our own planters. We currently have an outreach ministry to a local Boy Scout troop that meets in our building. My oldest son is a member, and I am the troop chaplain.
