About the Family

Tommy was born and raised in northern Virginia, but his ministry experience has been in Miami. In 2007, he moved to Miami after attending Liberty University, earning a bachelor's degree in biblical/pastoral studies, to serve as a student ministry director for Christ Fellowship Miami's first multi-site campus in Homestead. Shortly after, he was asked to be part of revitalizing Central Baptist Church for Christ Fellowship's downtown campus as associate campus pastor.

While there he met his wife, Kristin, and they were married September 9, 2011. Kristin is a south Florida native with an executive MBA from Florida Atlantic University serving as vice president of marketing for Hope Women's Centers. They have no children but will soon, LORD willing.

After starting a friendship with Pastor Guy Melton of Oasis Church, Tommy joined Oasis as connections and teaching pastor through a church planting residency. Tommy will earn a Master of Divinity with Ministry Leadership May 2017 from SEBTS.

About the Church Plant

Oasis Church will be making a formal announcement in spring 2017 to send Tommy and Kristin out to plant. They are currently pursuing team members, financial and prayer partners.
