About the Family

My wife, Karla, and I have been married for almost nine years and have been serving at our local church, Fellowship of Grace, for a little over three years now. Karla works in human resources at Cerner serving over 1,000 associates, and I currently own a consulting, tax and accounting practice in North Kansas City. We have a golden doodle named Parker and a cockapoo named Kenzie.

After college, I knew God was calling me to pastoral ministry. After my first pastorate I saw how God had been weaving together my entrepreneurial talents and my spiritual gifts to plant a church. Before responding to this call, I needed to respond to leading my wife and helping her grow and flourish in the Lord. So over the past two years we have been journeying with our friends, Kendell and Tracy, who have helped us heal, confess sin and live life together with them. After two years, God moved my wife's heart and called her to join me as we embarked on this journey with Kendell and Tracy.

About the Church Plant

At The Movement KC Church we exist to bring glory to God by teaching the Bible unapologetically to develop believers who share Jesus and share life.

Our core values at The Movement KC are Fresh, Real, Connected, Purposeful and Multiplication. One of our distinctive traits will be to intentionally live out our faith by helping those who gather with us to apply biblical teaching in everyday life. Our action leader will coordinate with the lead pastor to connect and collaborate with the community and discover ways we can serve so we can reach the lost with the good news of Jesus Christ. While the gospel never changes, we want to understand our context so deeply that we uniquely share Jesus in a way that is relevant to them.
