BE THE MESSAGE (FONTANA, SAN BERNARDINO CSUSB, BELLFLOWER)

About the Family

I am 30-something and married to my beautiful wife Celinna. I was born in Manila, Philippines, and moved to California in 2002 with my parents and siblings. In that year, I gave my life to Christ. A few years later, God called me to full-time ministry. I pursued training at Calvary Chapel Bible College before transferring to Golden Gate Baptist Theological Seminary.

I began a ministry in my local community and in 2011 was eventually led by the Spirit to plant Be The Message (BTM) church in Fontana, Calif. In 2013 we started the Acts of Kindness Project and planted BTM Church in Lingayen, Philippines. In March 2014, we planted BTM Bellflower, Calif., and in May 2014, we planted another church at California State University, San Bernardino called Send College Church. In August 2016 by God's grace we planted another church in city of Norwalk, Identity Church. We are currently praying and working on planting a church in Ontario, Rialto and Rancho Cucamonga CA.

About the Church Plant

Be The Message Fontana was planted back in 2011. In November 2013, we planted an international church in the Philippines called BTM Philippines. In March 2014, BTM planted another church in Bellflower (BTM Bellflower) and recently planted another one in May on the campus of CSUSB (Send College Church). In August 2016, we planted Identity Church in Norwalk CA. God is doing amazing things in our church. If you would like to know more about BTM, you are welcome to visit our website: bethemessagenow.com
