NEW DIRECTION M.B. FELLOWSHIP CHURCH (WEST ST. LOUIS)

About the Family

We are a family of eight, which includes my wife and six children. We have four boys and two girls, ranging in age from 21 to 11. We are a close family. All have accepted Christ as their Savior.

About the Church Plant

Our church is made up of people from all walks of life. This includes people from corporate America and people from rough backgrounds. As a church we try to reach people from all walks of life through the gospel of Jesus. We do this through talking but more so through the way we walk.

Also as a church we spend time feeding the homeless once a month and sharing the gospel. We strive to reach men and restore them to their intended roles in the life of family.
