CHURCH ON THE ROCK-MAPLE RIDGE (MAPLE RIDGE)

About the Family

Shaun and Whitney met at University and have been married for almost 15 years. They have three children: Jarrett (12), Kynzie (8) and Landon (6). Jarrett loves to play baseball and loves piano. Kynzie loves all things gymnastics and animals. Landon loves playing baseball outside, tennis and basketball with the neighbours and doing trick shots with his brother.

The Lynch family moved to Vancouver from Texas in September 2015. They love spending time together as a family playing board games, going to the dog park and many other activities. They homeschool their children and are involved in their community in many ways, from helping with Xtreme Theatre to serving on the board for baseball. They simply want to help serve the community with no strings attached while building relationships with their neighbours.

About the Church Plant

We came to Vancouver with a clear vision from the Lord to plant a church in the community of Maple Ridge that would be a hub that makes disciples, develops leaders and sends them out to plant new churches in neighbourhoods right where they live. We challenge people the Lord brings to Church on the Rock (COTR) with the idea that church is not what we do but rather who we are in Christ. COTR is primarily made up of young families who are new followers of Jesus and are growing in their relationship with Christ and with each other.

Our church plant started in Maple Ridge November 1, 2015, with four families from COTR in Pitt Meadows who have connected with families in the community of Maple Ridge and other communities as well.

We love to have missions teams join us as the hands and feet of Christ as we seek to serve and love people with no strings attached. We want to show God's love in a practical way and love having teams come and join us in doing so.
