CHURCH ON THE ROCK (PORT COQUITLAM)

About the Family

My wife, Ashley, and I have been married for six years. We have two sons: Judah (3) and Ezra (1). We both served on staff at Greenwood Baptist Church in Weatherford, Texas. Ashley served as the minister of children, and I served as our church's missions and outreach pastor.

The Lord graciously called our family to plant a church in metro Vancouver, and we moved here in August 2016. We have already seen Him move in big ways in our family, as well as in our community, and we seek to live out our days as a family in obedience to Him and His calling on our lives here in Port Coquitlam, B.C.

About the Church Plant

At Church on the Rock we seek to make disciples, develop leaders and send them out to live lives of impact right where they live. We want to be a multiplying hub that plants churches that plant churches throughout metro Vancouver and the world.

Find out how you can

Pray.

Participate.

Provide.

PRAY.

- That our church will make an impact for the kingdom.
- That the city will benefit from our service with no strings attached.
- That Church on the Rock will not be known for how many people we sit, but by how many people we send out to impact lives.

PARTICIPATE.

Pray for our community and our family as we serve here. We would love to have you join us on missions trips where you will partner with us in reaching our neighbors and community through serving at city events, working with the children in our neighborhood and showing practical acts of kindness to people in our city.

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.
