AUTHENTIC LIFE CHURCH (TUCSON)

About the Family

My wife, Jessica, and I are from Kansas City, Mo. We have been married since 2004 and have a son named Jaxton, born in 2012, and another son, Brody, born in 2013. We are hoping to grow our family.

About the Church Plant

Authentic Life Church's vision is "Connecting people to Jesus, growing together and living authentically for Him." We want to love our community here in Tucson, sharing the gospel and the love of Christ with them.

We are in a city that is about 95 percent unchurched. The Lord blessed us with a home in the middle of our target area. This target area consists of around 20,000 people without one single Bible believing church. We began meeting in our home for Sunday worship, moved to preview services, and then we launched full time January 11, 2015, in Vail Academy and High School.

God has been answering prayers and using us to advance His gospel. We have much to learn and do, but are grateful to serve Him here in Tucson, Ariz.
