LIFE-GIVER CHURCH (FOREST GLADE/WINDSOR, ONTARIO)

About the Family

Hello, my name is Alin, and my wife's name is Shelly. We met in high school, but we weren't your average high school sweethearts. I was a fledgling professional wrestler, and Shelly was on track to graduate with honors and go into nursing. I was a high school drop out, she was a high school scholar.

Three years into our dating relationship, God began to pursue me. My wrestling career had failed, and I felt lost and in limbo. Shelly was dealing with her own hurts and losses in her family. However, God was in the midst of it all and about to do a great work. I got saved and baptized January 20, 2008, and shortly after, so did Shelly!

Three years later on March 18, 2011, we were married and the real fun began. I enrolled in Bible college, thinking I'd get a job in an established church afterward, but God had other plans. He called us into church planting and confirmed it in both our hearts. We have no kids at the moment, but we trust God that we will soon.

About the Church Plant

Watch the nightly news for more than a few minutes and you'll soon realize our world is steeped in hopelessness. Politicians and community leaders are working overtime to come up with solutions, but it doesn't seem to be getting any better. Fear, depression, anxiety and despair abound.

We believe there is only one solution for the world's problem, and that is the gospel of Jesus Christ. Life-Giver Church exists to know Christ and make Him known because only when Christ reigns can we have peace and experience life the way it was meant to be lived. Jesus is the Life-Giver and by His Spirit He makes us life-givers as well. We are a kingdom driven church that is more interested in building God's kingdom than our kingdom.
