AWAKEN CITY CHURCH (HERRIMAN)

About the Family

I was born and raised in Indiana. I moved to Knoxville, Tenn., for college, met my wife, Kristin, graduated with a degree in youth ministry/preaching, and did some post-grad work at the Southern Baptist Theological Seminary. While in Knoxville, I took a position as a student pastor and was there for a little more than 10 years.

During this time, God blessed us with four beautiful children: Judah, Josiah, Joash and Jubilee (and another on the way!). Also during this time, the Lord began to give my wife and me a great burden for those in the greater Salt Lake City area who did not yet know the Jesus of the Bible.

As we began to seek the Lord and the counsel of others around us, we came to see that God was leading our family to move to Salt Lake City and plant a church. In February 2017, my family moved to the southwest part of Salt Lake County into the city of Herriman to plant Awaken City Church.

About the Church Plant

God has called us to Herriman, a city with a little more than 40,000 people and ZERO evangelical churches of any denomination. Herriman is a city we believe is ripe for the harvest and ready for a gospel-centered, gospel-saturated church. It is a city that is divided by those who are highly religious and those who want nothing to do with religion. In this mission, God also provided four other families who have all moved their families, jobs and lives to be part of the team.

In August 2017, we began meeting together and hosting a weekly Bible study. God has given us great favor with so many of the people we have come in contact with, and we cannot wait to see what He will continue to do!
