BRIDGE CHURCH (BROOKLYN)

About the Family

I was born and raised in Westchester, N.Y. Though I grew up in church, my relationship with God was defined more by praying for wins in football and passing classes in school. It wasn't until college that I was introduced to a consistent lifestyle of living for God through Campus Crusade for Christ.

I met my wife, Natarsha, doing college ministry at a leadership conference, and we've been married for 14 years. We have three daughters: Faith (8), Leah (7) and Sophia (1).

About the Church Plant

Bridge Church started in 2014 in downtown Brooklyn with a desire to reach the unchurched. The average age of our congregation is 26, and 80 percent are single.

The ethnicities that make up our church are Caribbean American, African American, Latino and Anglo.

We have outgrown our current space, and we want to have a greater local neighborhood impact. In 2018, we will be relocating the church to Flatbush, Brooklyn.

Find out how you can

Pray.

Participate.

Provide.

PRAY.

Please pray for our building search process and for our impact in the Flatbush, Brooklyn neighborhood.

Please pray for our people as they grow in their understanding of the gospel and leadership abilities.

PARTICIPATE.

We have large events twice a year that are our biggest outreaches. We like teams to help us distribute flyers and promote these events because they are centered around a culturally relevant topic. When we become more neighborhood focused in Flatbush, we anticipate more partnerships and opportunities.

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.
