GOD'S ACRE BAPTIST CHURCH (GREENBRIAR )

### About the Family

Alice and I have been pioneers in the field of church planting since the early '80s. We and our eight children, who are all grown and spread around the world and the U.S. with their own families, have seen the best of times and the worst of times. In 45 years of marriage, we have weathered several church assignments, including lead church planter and senior pastor in three different states.

Our joy has been in seeing how the Lord has and is impacting the lives of our adult children. We have witnessed the cost of poor decisions in letting the ministry take priority over family, but we also are experiencing the grace our Lord gives in seeing our own children spiritually mature in spite of our failures.

### About the Church Plant

Our new work is a hybrid of the house church and discipleship models. We seek to develop church planters by investing our lives into at least five families over a two-year period. One of the spouses will commit to enroll in a Bible teaching certificate program through the New Orleans seminary, which I teach.

I meet with the whole core group once a month for prayer, fellowship and worship at one of the core team member's home. After completing the training, each couple will be equipped to lead a home cell group, which will allow them to infect their respective communities with the gospel.

In Addition we have also accepted the challenge to Restart a church that has dwindled to 4 participants.

Find out how you can

**Pray.**

**Participate.**

**Provide.**

**PRAY.**

- For the continued commitment of core team members in finishing the course of study.
- For openness of the communities in which we are engaged.
- For our continued health.
- For the care we provide to my wife's mother.
- For our adult children.

**PARTICIPATE.**

The greatest way you can participate with us is to inform us of ideas or books you run across that we might use in this hybrid model. If you are inclined to become involved in this New Testament model, come join our team. We also welcome people and churches to partner with our restart.

**PROVIDE.**

There are numerous ways to help a church plant. Please visit [sendnetwork.com/planterfunding](http://sendnetwork.com/planterfunding) for NAMB's policy on providing for church plants.
