RISING CHURCH (LEESBURG/NORTHERN VIRGINIA)

About the Family

My wife, Neva, and I have been married for 15 years and have served in ministry together in various capacities for most of our marriage. We met while serving together at Lifeway's Centrifuge summer camp and have loved partnering in ministry ever since. We have three sons: Christian (14), Brayden (6) and Micah (2).

I am humbled that my family shares this passion and vision for church planting. My wife is an amazingly gifted worship leader. Our oldest son, Christian, serves as our audio/visual guy running our worship technology, and our middle son, Brayden, looks forward to helping set up the kid's ministry area on Sunday mornings.

Our prayer for Rising Church is that God would raise us up as a body of believers who passionately seek God in the midst of our secular culture and boldly proclaim the greatness of Him who calls us out of darkness and into His marvelous light! (1 Peter 2:9)

About the Church Plant

Rising Church is a missionally-minded, multiethnic, and multigenerational body of believers who are passionate about loving God and loving our city!

God did an amazing work this past summer as we hosted eight missions teams who served alongside our church plant for one-day, weekend and week-long missions projects as we loved and served the people of Leesburg. We are excited for what He continues to do through this ministry year and eager to see what the summer of 2016 holds for us.

We are currently meeting at our local recreation center for our Sunday morning worship gatherings and kid's ministry. We also have in-home small groups who meet in Leesburg and the surrounding communities for Bible study (Gospel Project) and dinner.
