NEW CITY CHURCH (LONG ISLAND CITY)

About the Family

My wife, Katie, and I have been married for 22 years. She works as a dental hygienist in the city. We have two children, P.J. (19) and Natalie (17). P.J. attends City College in New York City, and Natalie is a senior at the Art and Design High School in Manhattan.

About the Church Plant

New City Church is focused on sharing Jesus' grace and peace. We are located in Queens, N.Y., one subway stop away from Grand Central. We are in a vibrant, growing and ethnically diverse neighborhood of little to no evangelical presence.

We moved to the city in January 2013 and began with a family Bible study in our apartment. We spent the next few months gathering a core team. In April 2013, we began to offer monthly worship gatherings and small groups. In April 2014, we launched weekly services. In November 2014, we celebrated our first baptism service. In April 2015, we offered our first membership class. In April 2016, we launched our Korean service.

Our vision is to plant or partner with churches all along the 7-Train.

Find out how you can

Pray.

Participate.

Provide.

PRAY.

—Please pray for our growing ministry and the leaders we will need in the future to continue to multiply churches in the New York City area.
—Pray for those in our neighborhood who do not know Christ.

PARTICIPATE.

We love hosting missions teams and have worked with teams of all sizes and ages. If you participate with us, you will be involved in community service, mercy ministries, spiritual surveying and helping to host family fun days in our park.

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.
