REDEEMER INLAND EMPIRE (CLAREMONT)

About the Family

After working on staff for the past three years and completing a church planting residency at Redeemer Church in Lubbock, Texas, Heather and I are excited to take part in sharing the good news of Jesus Christ through church planting in California.

Heather and I met in Bible college in the mid-nineties and were married in 2000. We shared a vision of wanting others to experience the radical, transformational power and good news of Jesus. Through many years of ministry in the church, we discovered a love for and call to the local church. During the past 14 years, God has slowly formed and equipped us for this next adventure.

Heather is an amazing mother, friend and ER physician. We have two children, Cecilia and Jude.

About the Church Plant

Being born and raised in Southern California, we decided to plant in the Inland Empire. We've actually spent a lot of time trying to convince ourselves that others are better suited for this. Instead, God continued to call and confirm us to this.

While serving at a small church in Rancho Cucamonga, I was surprised to see people grow and gather around the gospel under my leadership. Then while on staff at Redeemer Church in Lubbock, we were assessed, commissioned and sent out in July 2014.

We hope to partner with other like-minded churches in a gospel movement that is creatively and generously engaging the region with the gospel of Jesus Christ through church planting.
