**PRAY.**

Join us in seeking the Lord for a building that would be a great fit for us. Pray that God will allow us to reach more people for Jesus with each passing year. Pray, too, that God will destroy the strongholds and powers of darkness so prevalent here.

**PARTICIPATE.**

Two or three times a year, we have missions teams come to help us. You can come serve with your church group, become a partner as a church or individual and help us in other ways, or request to be added to our prayer list so you can pray effectively for us. We welcome and encourage your involvement at any level.

**PROVIDE.**

There are numerous ways to help a church plant. Please visit [sendnetwork.com/planterfunding](http://sendnetwork.com/planterfunding) for NAMB's policy on providing for church plants.

## Dr. Ken Lovelace

AMAZING LOVE COMMUNITY CHURCH (BRENTWOOD)

### About the Family

Dr. Ken and Lygia Lovelace have 10 children—five homegrown and five adopted. Eight of their 10 children still live at home and are active in their church plant.

The Lovelace family is from Dallas, Texas, and moved to St. Louis five years ago. God has blessed them with many opportunities to share Jesus with the people in St. Louis. The church they began has had the privilege of baptizing and discipling many new believers.

They have a vision of reaching St. Louis with the gospel of Jesus Christ and have a great ministry platform from which to launch many significant ministries for reaching people for Jesus.

### About the Church Plant

Amazing Love Community Church (ALCC) is three years old and has around 50 members. We call it the church that love built. We believe we are a healthy church, but we need a building we can call our own—a ministry-sending center, if you will.

We invite you to partner with us to reach one of the most calloused and secular cities in the Midwest. We need laborers for many outreach projects, materials, curriculum and ministry tools that will better equip us for sharing Jesus with the multitudes.

Email Dr. Lovelace at [kenlovelace@gmail.com](mailto:kenlovelace@gmail.com) for more information. He'd welcome your call as well to discuss ways you can get involved in the work God is doing in St. Louis.
