### About the Church Plant

The mission of FOTC is "Go Make Disciples of All People Groups in Tucson and Around the World." FOTC exists to raise up, train up and unleash ordinary Christians to be reproducing disciple makers who quickly gather new believers into small house church groups that meet weekly. The vision of FOTC is to join God in igniting church planting, disciple-making movements throughout North America and around the world.

FOTC also provides reproducing disciple-making training to churches wishing to ignite a disciple-making movement. The T4T training (Training For Trainers) is used. This is the training that many IMB missionaries use to ignite church planting movements around the world. For info on this training, call Pastor Jay at 520-329-9050.
