

Steve Renner

FAMILY LIFE CHURCH (OVERLAND/ST. ANN)

Find out how you can

Pray.

Participate.

Provide.

PRAY.

Our primary prayer request is that God would draw both seasoned believers and lost/unchurched people of the Overland area to Family Life Church. We desire to create relationships and new disciples and see God rescue the lost of our community.

PARTICIPATE.

You can best participate in the ministry of Family Life Church by praying for hearts in our community to be responsive to the gospel. No amount of money or human effort can change a person's heart. Only the Holy Spirit can do that through the gospel. Second, if you live in our area, please come and get involved with us.

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.

About the Family

God has blessed me with a wonderful family! I married my wife, Katie, December 27, 2008. She is such an amazingly godly woman and co-laborer in the gospel of Jesus Christ. She grew up in a godly family where she came to trust Christ as a teenager. I came to faith in Christ when I was 21 years old and God called me into the ministry when I was 23. He has allowed me to serve Him in gospel ministry ever since.

Our oldest son, Liam, was born October 21, 2010, and he is a very spirited and passionate boy. His first brother, Robbie, was born June 12, 2012. Robbie is a sweetheart who loves and looks up to his older brother. Our youngest, Charlie, was born April 21, 2014. He is a smiley baby who is growing up so fast.

I love our family so much and am so blessed to have been given them!

About the Church Plant

We began planting Family Life Church when we moved to the St. Louis area in June of 2013 after serving a church in Alabama. I grew up the North County/Overland area where we are planting. I began as a church planting apprentice with another North County church called the Passage.

North St. Louis County is a spiritually, economically and socially depressed part of the St. Louis area that has had very little gospel exposure. Our primary goal for the first year was to assemble a core group/launch team to begin planting Family Life Church. We have about 30 people now as part of the launch team as we continue to reach out to our community. We hope to publicly launch Family Life Church in April 2015.
