## About the Family

I am Fue Chee Her, and I'm a pastor at Gospel Hmong Baptist Church. My wife is Cindy Yang. Cindy and I have been married for three years. We both have unique personalities that complement one another. We love spending quality time with our loved ones by going out to the movies, reading books and playing board games. We are also very passionate about football.

Cindy and I love to serve at our church. We enjoy seeing our members grow in their relationship with Jesus. We are encouraged when we see lives transformed by the gospel of Jesus Christ.

## About the Church Plant

Minnesota has the second largest Hmong community in the United States. The Twin Cities, Minn., has the largest compact Hmong population estimating more than 65,000 people. It is also home to some of the most influential Hmong leaders and organizations in the world.

In 2013, the Twin Cities only had six SBC Hmong churches. Of the six SBC Hmong churches, none were demographically ministering to the millennial Hmong generation. God placed a conviction in my heart to start a new journey in ministering to this generation.

We are excited that our plant was able to sponsor two new church plants. Our mission is to equip the new generation with the gospel of Jesus Christ. Romans 1:16
