IGLESIA EL REFUGIO (WEST CHESTER)

About the Family

I've been married for 32 years to my wife, Betty. We have three children, Elizabeth, Eber II and Emily. Elizabeth has been married for 11 years to Jimmy Quillen. They are the parents of our grandchildren, Lilliana and Logan. Eber II has been married for three years to Rebekah—no children yet. Emily has been married for seven years to Tim. They are the parents of our other two grandchildren, Josefina and Josiah.

Betty and I served for about 25 years at Springboro Baptist Church, Springboro, Ohio. I served as a deacon and managed the sound and media team. In 2010 we were called to help plant Red Door Church in Fairfield, Ohio. I served as an elder at Red Door for three years.

While helping plant Red Door Church, God made very clear to us the need for a Hispanic church in Cincinnati, so, Iglesia El Refugio began. I currently also work as plant manager at Millennium Metals, a metal distribution company in Franklin Ohio.

About the Church Plant

Iglesia El Refugio (The Refuge), is a bilingual church. Our mission is to bring a glimpse of heaven to the Hispanic community, providing the Hispanic community a place where they can feel part of a family—the family of God. Many Hispanics come here totally alone and without a family support system. As they find the Lord, they find peace in being adopted into God's family.

Part of our ministry is to help first generation Hispanics learn English through ESL classes. Teaching English allows us to not only help, but to develop relationships that allow more opportunities to share the gospel.

Pray.

Participate.

Provide.

PRAY.

—Pray for a location for our church so we can provide Sunday morning services.

—Pray for our core team to continue to grow.

—Pray for the families we are trying to reach with the gospel.

PARTICIPATE.

As we grow we need more bilingual leaders and bilingual short-term missionaries. We also have worship ministry missions opportunities.

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.
