SWERVE CHURCH (BUSHWICK)

### About the Family

My name is Danny. My wife, Melissa, and I celebrated nine years of marriage, November 12! We have three amazing kids: Jr. (7), Christian (6) and our little princess, Melody (2).

We really enjoy vacationing together. We always try to get away every few months, if only for a few days. We frequent the Poconos, Albany and New Haven. We also enjoy eating out whenever we get the chance. Olive Garden is one of our favorite restaurants to visit.

Last, we like winding down by vegging out on the family couch, watching a good movie and eating chocolate chip cookies.

### About the Church Plant

We are planting Swerve Church in the community of Bushwick in Brooklyn. The definition of "swerve" is "an abrupt change in direction," and this is what we are praying to see in the lives of the people in Bushwick.

We are also very passionate about being the hands and feet of Jesus by serving our community. This summer we were able to hang basketball nets and give away bottles of water throughout several parks. On Halloween we gave away 200 bags of candy and took pictures of our neighbors as a way of serving them.

I'm so excited about what God has in store! Ultimately, we would love to continue making disciples and planting churches in the surrounding areas, including Bed Stuy, East New York, East Williamsburg and Ridgewood.
