OAK TREE CHURCH (LEE'S SUMMIT)

About the Family

I was born and raised in this city; this is my home; this is my tribe. This area desperately needs Jesus and the Lord has placed it heavy upon my heart to reach my “people.” My wife and sons are heavily involved at every level. Our boys are very involved with sports, which helps us stay very involved in the community and interacting with lost people daily.

About the Church Plant

We are a church perched at the gates of hell—a lifesaving station and a spiritual trauma unit. Eighty percent of our attenders were previously unchurched before they connected with us. We are targeting a growing area where 91 percent of the people are unchurched. We are hyper-focused on reaching lost people and bringing them into a discipleship relationship with Jesus Christ.
