## About the Church Plant

Crossroads Community Church is a multiethnic, multi-generational legacy replant church located in Kenner, La., which is a suburb 10 miles west of New Orleans. The church was originally established in 1968 as the University City Baptist Mission of Lakeview Baptist Church.

Prior to Hurricane Katrina, Crossroads enjoyed more than 30 years of fruitful and growing ministry. After the storm, the church endured significant loss and hardships. Now Crossroads is, once again, at a strategic place to reach our community for Christ.
