

Steve Miller

CORE COMMUNITY CHURCH (HOMESTEAD/SOUTH DADE)

Find out how you can

Pray.

Participate.

Provide.

PRAY.

- That our leadership will maintain our faith in the gospel alone to save and to sanctify us, and that we will rely not on our power, but on God's.
- That our labor will not be in vain, but will bear fruit that will last.

PARTICIPATE.

- Pray for us. This is a beautiful but hard city.
- Encourage us. Write or call us, and let us know we are not alone.
- Share ministry development resources for things like internships, elders, groups and missional training.

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.

About the Family

I am 39 years old and have been married to my wife, Elizabeth, for 15 years. We have three kids: Alissa, Luke and Jake. I grew up in Kansas City and Elizabeth is a missionary kid from Italy.

We moved to Miami from Kansas City with a desire to be in a diverse city in need of the gospel. We bought a home and got to know our neighbors and community and have continually had people in our home from day one. God has been so good to us in not only bringing us here, but in opening doors for us to get to know and love our community. We can't imagine doing anything else.

About the Church Plant

Nearly seven years ago Christ Fellowship in Miami started an extension campus in Homestead. I came to Miami to be the campus pastor for that campus. Together we began to see that the growing Homestead area was ripe for a new church plant, and the best way to do it was to take the existing campus and roll it off to become its own church.

November 3, 2013, we relocated to a local high school and had our first service as Core Community Church! Our mission is helping people follow Jesus. We do this by living out our four values of gospel, worship, family and mission. In our first year we saw more than 40 people baptized and many diverse people encounter the gospel of grace like never before. To learn more, visit us at corecommunity.org.
