THE STATION CHURCH (CARLSBAD)

About the Family

My wife, Tara, and I have been together for 10 years and married for seven. Life really is better together. We are praying for babies soon! We're both native to Southern California, however San Diego is our most recent home.

We were called by the Lord back in 2003 to plant a life-giving church. In February 2012, we launched The Station Church in North County, San Diego. We absolutely love each other, love the Lord Jesus and love being part of reaching people for Him.

We feel so blessed to live and do life and ministry in a beach city, where we love doing all things outdoors and in the sun. We are passionate about penetrating lostness in the West and awakening the Christ-potential within people.

About the Church Plant

The absolute passion of our lives is pursuing Jesus and being about what He is about—the lost. We know that church planting is the single most effective method to reach lost people. In just fewer than three years, we have seen 484 people accept Jesus as their personal Lord and Savior! We count it a privilege and a joy to be part of what God is doing in our city.

We want to plant several churches citywide that would all experience the transformational message we find in the gospel of Jesus Christ. Planting in the West is not without it's challenges, though, and we welcome your partnership as we continue to work toward seeing the kingdom of God expand here in San Diego!

Find out how you can

Pray.

Participate.

Provide.

PRAY.

- For laborers, for the harvest is plenty!
- For continued leadership development, that more would answer the call.
- For a stronger desire for discipleship, as the distractions in San Diego are many.

PARTICIPATE.

Consider coming alongside us as partners in bringing the lost in San Diego to Christ.

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.
