

Luis Soto

IGLESIA BAUTISTA GRACIA ETERNA (WEST VALLEY)

About the Family

I am Luis Soto from Puerto Rico, and my wife, Beatriz Castillo, is from El Salvador. God placed a love for missions and church planting in us very early in our Christian walk. I think the most effective method of evangelism is planting healthy Bible-believing churches.

About the Church Plant

West Valley has about 140,000 inhabitants, 33.13 percent being Hispanic. More than 70 percent are of Mexican origin, 15 percent are Salvadoran nation and the rest are from different Latin countries. Currently there is not a single Southern Baptist Hispanic church in West Valley City.

God has called us to rescue the purity of the gospel and the passion for the kingdom of God and His righteousness. This necessitates beginning this new work to spread the gospel, working full time with an experienced team. Opportunities abound among the many Hispanics who are here. This creates expectations of being a church planting and multiplying church.

Our vision: Making every man a believer, every believer making disciples.

Find out how you can

Pray.

Participate.

Provide.

PRAY.

Our main obstacle is fighting false doctrine. Please pray that the truth of the gospel will be seen and heard.

PARTICIPATE.

Help us open the doors shut in church planting through genuine social service; show Christ through concrete actions that address the most pressing needs of people, demonstrating the practical gospel, as did our Lord Jesus Christ. Address the physical problems and needs of the people, in addition to their spiritual needs.

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.
