

Cedric Nelms

CHOSEN GENERATION FELLOWSHIP CHURCH (SOUTH LOS ANGELES)

About the Family

My wife, Karen, and I were both born and raised in Los Angeles. We have a heart for the city and genuine love for the different people who make up this city. We have been married for 15 years and have five beautiful children: Erika, Jonathan and our triplets, Isaiah, Khalid and Courtney.

About the Church Plant

Chosen G (as it is affectionately referred to by some on our core team) is a church that is looking to reach and meet the needs of the community. We plan to do this by way of:

INVITE- people to events in the community, our services and our Community Life Study group.

BUILD- relationships with people in the community by way of service.

GROW- through doing life together in community.

COMMUNITY- always attempting to meet the needs of the people in the community in creative ways.

Find out how you can

Pray.

Participate.

Provide.

PRAY.

Pray for my family and I as we listen to God for where the gospel needs to be preached. Pray for the core team of the church as we develop them into leaders. Pray for God to move on the heart of the city to receive us.

PARTICIPATE.

We are looking for people who have a heart for the city and want to be part of a church plant that is more about relationship than religion. We need prayer and people for this church plant to have an impact in the city. Pray the Lord would grant favor. Come on this journey with us as we MEET and REACH SOUTH LA.

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.
