About the Family

I met my wife, Laura, while attending Homestead Senior High School. We were not Christians when we first met, but the Lord saved us as 17-year-old seniors. Our lives were transformed. We dated for a few years and got married at the age of 20. We are both 29 years old now and have three beautiful daughters: Isabella (8), Mikaela (5) and Gabriela (4). So blessed.

About the Church Plant

Laura and I felt the call to plant a church in my hometown to see the very people with whom I grew up come to the saving grace of Jesus.

Summit Church is a simple church that is driven to make disciples in the Homestead community. We currently have 14 families preparing for spiritual warfare in a community we love and want to see redeemed as we grow together as a church family.
