

Jon Huebner

IN HIS NAME OF GAINESVILLE (GAINESVILLE)

About the Family

My wife, Beth, and I have been married for 27 years. Jon is 19, Shawn is 13 and a seventh grader, and Elizabeth is 7 and doing well as a third grader.

We have moved back to Georgia after having served for 17 years with Mission Arlington, an apartment-based ministry in Arlington, Texas. We loved living in Texas, the people with whom we were working and Heritage Church, which is the apartment church we began in central Arlington. After the move, we felt God calling us into a similar ministry in the Gainesville, Ga., area. With the help of Send North America, we have begun In His Name.

About the Church Plant

In His Name is a unique type of church planting ministry. The purpose of In His Name is to reach the unchurched who are living in multi-housing units around Gainesville with the gospel of Christ. We do this by establishing a network of Bible studies directly within the communities we serve. Instead of trying to bring the people to a church, we bring the church to the people. Currently we have established Bible studies in three different communities in the Gainesville area and are looking to double that in 2015.
