IMPACT CHURCH (LEBANON)

About the Family

I have been married to Diane for 25 years, and we have seen many changes, challenges and opportunities. Diane and I are long-term residents of Lebanon and have raised two girls here, Rachael and Sarah. I am a graduate of Lebanon High School and Campbellsville University. The call to plant a church in Lebanon came many years ago, and we are excited to see God moving forward and opening doors.

About the Church Plant

At Impact, we have a strong belief that church doesn't have to be lame while embracing solid core values. We think a church can tell it like it is, teaching practical, relevant truths that help each other Monday through Friday, all without judging those who disagree.

Please read more about our core values and contact us if we can help with any additional information about Impact or your relationship with Jesus Christ.
