EMBASSY CHURCH (NORTHWEST SUBURBS)

About the Family

My wife and I are high school sweethearts from the Washington, D.C. metro area. God has blessed us with three awesome little girls.

My wife and I went to college together in the Chicago area, and during those years we started to consider planting a church in the Chicago area. We moved back to DC after college and did not think we would return to Chicago, but God had directed us back here.

About the Church Plant

Embassy Church started in February of 2014. We are a multigenerational and multiethnic congregation. Our mission is to glorify Christ by making disciples of all nations.

PRAY.

—Please pray that God will draw men and women to Himself as we lift up Christ in our worship services and in our discipleship.

—Please pray for God to give us the wisdom we need to appoint leaders and for them to lead the church well.

PARTICIPATE.

From a distance you can help Embassy through your prayers and your gifts. However, the best way to participate in the ministry is to come visit or join our church. You can help us make disciples and spread the gospel to the nations!

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.
