LIFEPOINT (DELAWARE)

About the Family

Kale and his wife, Morgan, met while he was working as a college pastor in Mount Vernon, Ohio. After dating for just less than a year, they were married February 14, 2015.

Morgan grew up in Amanda, Ohio, with her family of four. Kale has a family of six and grew up near Troy, Ohio.

While attending Ohio Wesleyan University in Delaware, Ohio, Kale was called to vocational ministry. After graduation, he came on staff at LifePoint Church as a college and youth pastor and helped to plant LifePoint Mount Vernon.

About the Church Plant

From the start of his time at LifePoint, Kale and the pastoral staff there felt he would eventually plant. During the past year, God began growing the desire in Kale to return to where he went to college and plant LifePoint Delaware.

LifePoint's vision has always been to draw life from God and to point others to Him. Kale has a special desire to see that vision realized in the city of Delaware, near his alma mater.
