NEW SONG: PARKSIDE (OCEANSIDE)

About the Family

I've been married to my smoking hot bride, Rachel, for 13 years. We have three high-energy young children. Jadon (5) and Jordyn (2) were adopted through the foster care system and a few weeks later we found out we were pregnant with Josie (1).

We love swimming in our pool and playing in the park behind our house, which is also our mission field. As a young family, God has really put on our hearts a passion to reach other young families in Oceanside for Christ.

Rachel and I are also screenwriters. We had the opportunity for our script, "To Save a Life," to become a film distributed by Sony. We are working with Sony again to produce our second script, "Prom Dare," hopefully sometime next year. It's about empowering teenagers to change the world one hungry child at a time.

About the Church Plant

We planted Parkside in September 2014. It's been an amazing adventure. During our first year we met at Alamosa Park Elementary, which is five minutes from our front door. More than 100 people have received Christ and 57 baptized. God has blessed us so much that in September 2015 we are moving to a larger school just five minutes away.

We say if you love parks, you'll love Parkside. About a third of our fast-growing church is kids and most of our outreach programs focus on how we can help families succeed. We are also extremely passionate about prayer. Parkside was planted with prayer as a top priority. Every house, apartment and condo in our area has been prayed over. We have a weekly prayer gathering and prayer during each service.
