## About the Family

I am privileged to be married to Katherine Santiago from Colombia, South America, for 11 years. We have two precious girls: Kayla Gaspar (8) and Melody Gaspar (5). We love to spend time together as a family every Friday night to watch movies.

## About the Church Plant

Vida Eterna was launched in November 2010, on the west side of Indianapolis with the focus of reaching the Hispanic people in the community. In the beginning it was very hard because we had to start the church from scratch. It took some time to connect with the people and invite them to the church. But God began adding people to our group. Since then, I have been teaching them to grow in their faith through discipleship classes. Now our average attendance in worship every Sunday morning is about 45.

Our biggest project this year is to work with home-based, small group Bible studies to reach more people and to build up more leaders.
