PRAY.

Most of our church is comprised of college students and young adults, which leaves us lacking in mature ministry leadership. Pray more families and young professionals will join in our efforts!

PARTICIPATE.

Downtown Indy is ripe for the harvest, and Living Faith has dedicated and involved believers, but we need help in the following areas:

- Prayer support
- Family mission trips
- College/young adult mission trips
- Professionals who would move to Indy and join us

For more info, go to livingfaithindy.com/partnership.

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.

LIVING FAITH CHURCH (DOWNTOWN, IUPUI CAMPUS)

About the Family

My wife, Autumn, and I have been married for six years and have always had a huge heart for reaching the lost in urban areas. We met while planting a church in Sheffield, England. In Sheffield, we realized the gifting God had given us to gather people and to start ministries.

Shortly after we were married, God called us to move to Indianapolis to work with the State Convention of Baptists in Indiana and to start a church in the heart of downtown. We feel so blessed to be where we are and wouldn't trade it for anything.

About the Church Plant

Our church plant meets on the campus of Indiana University/Purdue University Indianapolis (IUPUI), which is in the heart of downtown Indianapolis. It has more than 36,000 students, including 6,000 international and 6,000 graduate students. IUPUI is estimated to be less than 5 percent saved, and the surrounding downtown residential areas are about the same.

We have been blessed with a core group of believers who care first and foremost about seeing people saved and set free through the gospel of Jesus. Since starting as a ministry about three years ago, we have seen more than 40 people saved. In January 2015 we became a full-fledged church plant and are even more expectant for God to do amazing things.
