—Pray for partners. We can't do this alone.

PARTICIPATE.

—Pray. We need committed prayer partners more than we need anything else.

About the Family

Megan and I have been married eight years and have two children, Gideon and Charlotte. God has prepared, shaped and sharpened us through more than a decade of ministry together. We've had opportunities to be a part of vocational ministry in several different capacities.

I have served as a student pastor, IMB missionary in Europe and a missions and life groups pastor. I studied at the University of Mississippi and Mid-America Baptist Theological Seminary. We are excited to be involved together in church planting in the Indianapolis Metro Area.

About the Church Plant

Restoration Church is a Christ-centered, Bible-saturated church in Noblesville, Indiana. We have four values that shape our identity and mission in our community:

1. Restoration of the broken— leveraging our resources for the restoration of lives, community and culture.
2. Corporate worship— gathering to remember and celebrate the gospel.
3. Authentic community— living out the gospel both face-to-face (community) and shoulder-to-shoulder (mission).
4. Global Involvement— actively participating in the global mission of God.
