RANSOM CITY CHURCH (EVANSTON)

### About the Family

I am married to my lovely wife, Jacqui. We, along with our cat, Rue, live in Evanston, Ill., where we planted Ransom City Church. We are a young married couple (26 and 25 respectively), have been married for about three years and have been involved in planting churches for about two of those years.

In our spare time, Jacqui enjoys writing fiction, and I enjoy writing music.

### About the Church Plant

We moved to Evanston to plant Ransom City Church in February 2013 and launched Ransom City in July 2013. We're still a relatively new, relatively small church, but God has been very gracious to us. We are a fairly young church with many of our people in their twenties and thirties, but our congregation is made up of people of all sorts of different ages, ethnicities and backgrounds. We are a church family centered on the gospel and made up of worshipers, servants and missionaries for Jesus.

The two things we hear most often is that our church is very welcoming and quickly feels like family and that the message of the gospel is very clear at our church. These are two things to which Ransom City Church is deeply committed.
