### PRAY.

—that the hard ground of Oakland would become soft through the grace of Jesus.

—for continued funding so our church can operate in the manner it is currently.

### PARTICIPATE.

We are still in the fundraising phase, so any financial partnerships are welcome. We serve the city and have hosted missions teams during those times. Sending people of varying skills and talents would be a great way to participate in what we are doing here in Oakland.

### PROVIDE.

There are numerous ways to help a church plant. Please visit [sendnetwork.com/planterfunding](http://sendnetwork.com/planterfunding) for NAMB's policy on providing for church plants.

## About the Family

I have been married for 10 years to my beautiful wife, Rebekah. We currently do not have children, but are believing that God will give us one either naturally or through adoption.

## About the Church Plant

The Bay Area is an overall very attractive place for church planters to come—with the exception of Oakland. Church planters have avoided Oakland mainly due to its reputation of being dirty, scary and an area of high crime.

We planted a church in Oakland that is focused on reaching those who are far from God. Reaching the unchurched is our main goal, but we also seek to reach the "de-churched" and the "over-churched." Our aim is to overwhelm Oakland with the love of Jesus through sharing the life-changing power of the gospel.
