## About the Family

I am married to my best friend, Jill. We have three children. Josiah is 17, Abigail is 14, and Caleb is 10. They all love Jesus and love His church. I am thankful that my wife and my kids love to serve in the church and love reaching out to their friends to share the gospel of Jesus.

## About the Church Plant

Church at the Grove is an amazing church planted in fall 2006. We are committed to loving and investing in the community for the purpose of sharing Jesus.

We started in the Loganville/Walnut Grove area in 2006 and then planted our second campus in Social Circle in 2012. We planted Fellowship of the Grove in Oradea, Romania, in March 2012.

We are committed to reaching people through planting churches and global partnerships.
