REDEEMER COMMUNITY CHURCH (DEARBORN)

### About the Family

My mom was 15 years old when she gave birth to me. I was raised in a strict, secular home. My dad, who I was told raped my mom causing her young pregnancy, was not part of my life growing up. I came to faith in Christ during my senior year of high school at a youth retreat a friend invited me to. All the bitterness and anger I harbored toward others, my dad in particular, were melted away by the grace of the gospel in my life. I met my father three months after my regeneration, and he has been part of my life ever since.

My wife, Christi, and I met in 1996 during her senior year of high school. We have been married since July 2001 and have two sons. Judah, our oldest, is 6 years old. Ezra, our youngest, is 5 years old. Both boys attend school in Dearborn. We moved into the south end of Dearborn Heights in 1997 and then into southwest Dearborn in 2013. We love to spend time together learning, playing and laughing.

### About the Church Plant

Redeemer Community Church (RCC) is a gospel-centered church leading people to turn and follow Jesus Christ. We are ferociously committed to the mission of making disciples of Jesus Christ in Dearborn and throughout southeast Michigan.

It is our joy to lead people to repentance and equip them to increasingly follow Jesus in all of life. We do this by inviting people to do life on life, life in community and life on mission together with us. In our context, we believe we will have success in showing Jesus to the people through our genuine love for others.

Our primary outreach is done at Whitmore-Bolles elementary school in Dearborn where we work with students, teachers and parents. We also run a sports league reaching more than 100 kids.
