About the Family

My wife, Jummai, and I emigrated from Nigeria, a Muslim dominated society. Our outreach is to Muslims, and we will always be grateful to God for calling us to reach out to this difficult people group for 23 years! We have overflowing joy at the privilege of seeing our “spiritual children” from Islam grow in their faith—some of whom are now themselves spiritual leaders.

We serve through various ministries, some of which are training churches in reaching out to Muslims, premarital/marital counseling and discipleship. We have also helped plant two churches. These experiences give us a wealth of knowledge in communicating the gospel.

Through thick and thin, the Lord has been very faithful in helping us set an exemplary Christian home—one to which many couples have expressed a desire to experience in their own homes. We give God the glory for sustaining our marriage and pray that He will continue to use us as counselors, bringing vitality to broken families as we minister to them.

About the Church Plant

The biblical foundation of Hope of Nations Evangelical Church is based on Isaiah 2:2, "In the last days the mountain of the Lord's temple will be established as the highest of the mountains ... and all nations will stream to it." This prophetic metaphor was fulfilled when Christ established His church. He continues to draw nations in expansion of His kingdom above all religions.

Our local assembly is a missions-minded church, practically sharing the love of Christ to all people groups and welcoming everyone, regardless of status, ethnicity or color. Our church is anchored and rooted in the principles of the apostles' teaching, equipping the saints for ministry, teaching the true undiluted gospel and trusting transformation by the Spirit.
