INTERFACESF (SUNSET DISTRICT)

About the Family

I have been married to my wife, Pia, for seven years. We have two young boys and another one on the way. We moved to San Francisco in 2013 after I graduated from Golden Gate Baptist Theological Seminary with a Master of Divinity.

I was blessed to observe and learn from my father's ministry as a California State Baptist Convention church planter. Though a tough calling, I have always been excited about the process of starting a church from scratch and seeing people's lives radically changed by the gospel of Jesus Christ.

Pia is a scientist at UCSF. She came to Christ in college and has been active in church ministry ever since. She uses her passion for science, technology, the arts and ministry to find creative ways to serve and minister to the Sunset community. Our children enjoy riding their scooters through Golden Gate Park and playing at the nearby beach.

About the Church Plant

InterfaceSF is a new church plant in the Sunset District of San Francisco. We are set to launch in November 2014.

Our vision is to be a fellowship of Christians in Sunset living out our faith by building authentic relationships, serving the needs of our community and boldly sharing the gospel of Jesus Christ. Our mission is to reconcile the people of San Francisco to God with the gospel of Jesus Christ, developing them as disciples and equipping them for ministry.

Our strategy is CHRIST, COMMUNITY and CAUSE. Christ: Love God, love people and share the gospel. Community: Build authentic relationships and make disciples. Cause: Sacrifice, serve and give to causes that matter to the kingdom.
