About the Family

I have been married to Daylin Perezgalanena since May 2011. God has blessed our marriage with two precious children, Aaron Daniel and Emily Grace. We are both Cuban descendents and both of our children were born in Las Vegas, Nevada.

About the Church Plant

Our ministry purposes are to reach people in the Las Vegas Hispanic community who are not saved, to help the spiritual growth and maturity of those who are saved by studying the Bible and discipling them and to train mature members and those who have a calling to missions and church planting and send them to the field.

God has guided us to a movement of planting Hispanic churches that function as a network to complete the purpose mentioned above. At this time we have six missions in the network. Our goal for 2023 is to have planted 16 Hispanic churches in the Las Vegas area.

In January 2015, we started a school to equip pastors, missionaries and leaders for the Hispanic ministry in our network.
