About the Church Plant

April 20, 2014, Homero, Analilia and their three daughters, along with two more families, launched Sunday services with 15 people. They engage their community through block parties, VBS and parent conferences. Also, they walk in the community parks and apartment complexes, sharing the gospel and inviting people to the new church.

Since April, five more families have been added, with six people receiving Jesus as their Lord and Savior. Forty-five people are attending on Sundays and 30 on Wednesdays.
