THE GREAT I AM BAPTIST FELLOWSHIP (LAS VEGAS)

### About the Family

My wife and I are preachers' kids and many in our clan are pastors. My father was the first Christian pastor in the heart of Islam in southern Philippines, and my father-in-law planted 126 churches in the many hinterlands of our country to reach the natives. Four orphanages and two Bible schools to train workers were part of his mission, the Christian Mission in the Far East. When he died, the mission slowly dissipated. My wife and I believe that if it is God's will, we will be able to establish Filipino churches that will be missions oriented to re-establish what was started by Rev. Amado Chanco and my dad.

Our country was once known to be the only Christian nation in Asia and is now the center of cultism. Our goal, God willing, is to reach Filipinos here in Las Vegas, who are collectively wayward in their faith despite their rich religious heritage and traditions. Work is more real than worship in receiving their blessings. We are praying that God finds favor with us.

### About the Church Plant

Weekends in Las Vegas are the busiest working days of the week, and even religious Filipinos miss their Sunday worship. So we started having worship services on Wednesday mornings to accommodate weekend workers.

We worship in a Baptist church in the vicinity of Maryland Parkway and UNLV, where most Filipinos gather. We have 25 to 35 regular attenders now, and when word of the church reaches others, we trust the Lord of the harvest to transform us into a church to be named JESUS IS GOD BAPTIST CHURCH.

We have already begun a Bible study group in North Las Vegas, and we are praying that the Lord would open the way to reach out to Filipinos there. A Baptist church has opened their doors for us to start a ministry in that area.

#### PRAY.

The Great I AM Baptist Fellowship has been moving from one worship place to another, and members are joining other churches in the process—a rolling stone gathers no moss. We are praying for a permanent home to worship, grow and glow for Him.

#### PARTICIPATE.

We need your prayers and concern for Filipinos in Las Vegas whose traditional faith and religion has been watered down by our sinful environment. Christian education resulting in Christian living is the message that should reach hearts. We are climbing down the rope, and we hope that someone holds the rope. God bless.

#### PROVIDE.

There are numerous ways to help a church plant. Please visit [sendnetwork.com/planterfunding](http://sendnetwork.com/planterfunding) for NAMB's policy on providing for church plants.
