Church groups can join us for a week at a time doing ministry in public school Bible clubs, at UNLV, on the streets and with children, the homeless, drug addicts, alcoholics, prostitutes and the disenfranchised. They can help with our kids camp park outreach event. Send an email to info@gracecityvegas.com for details.

About the Family

I was teaching a class of future church planters at Liberty Baptist Seminary, discussing the promise of Jesus that He will build His church and the gates of hell will not prevail against it. Clearly that's when the Lord called me to find the gates of hell and plant a church. So now we are doing our part to see so-called "Sin City" transformed into "Grace City" (Romans 5:20).

About the Church Plant

Grace City Church was launched in November 2012 with 200 people. Since then we have established a strong school of ministry, where we train as many as 20 interns at a time for a life of ministry and mission.

We also have a vibrant outreach center, where we minister to the poor, addicted, sex-trafficked and disenfranchised. Beyond that, we provide certified launch training for church planters and serve as the western hub of the Liberty Church Planting Network.
