REDEEMER CHURCH (PROVO-OREM)

About the Family

The Rutledges are a family of six. Kevin and Sundi are devoted admirers of their four children: eldest daughter, Ryleigh (10); adventurous son, Zander (9); girly-girl, Lily (6); and baby, Canon, who was born in August 2014.

Kevin, who became a Christ-follower in ninth grade, has been serving in various forms of ministry since about tenth grade. He has pursued his passion for Christ and His church through a B.A. in Biblical Studies at Dallas Baptist University, an M.A. in Theology at Southwestern Baptist Theological Seminary and 15 years of church staff experience in churches small and large, rural and urban.

Sundi has faithfully and passionately served with Kevin and has contributed with great talents of her own. With degrees in vocal performance, education and information science, Sundi has sought to serve the church and world through music and her great gift for organization and research. She homeschools her four children while serving as an amazing hostess and help to the church.

About the Church Plant

Kevin trained and led mission teams to Utah for six years, while serving at his sending church. During this time, God caused him to fall in love with the people of Utah Valley. As he began to mourn for this least-reached U.S. metro area, Sundi also began praying for a movement of God to reach this exceedingly difficult mission field. Kevin and Sundi toured the Provo-Orem area after looking at various options. They knew simultaneously that this was where God would lead them.

Redeemer Church is in its beginning phases with a five-member (and growing) team. They're pursuing a mixed relational and attractional cell-model with prayer-fueled neighborhood Bible studies, UVU campus ministry and, soon, a visible church presence.

PRAY.

- Please pray for those to whom we are ministering who have not yet trusted Christ alone!
- Please pray for the families who are still trying to move to Utah to join our ministry team!
- Please pray for wisdom as we plan our approaching launch process!

PARTICIPATE.

A movement of God is our sole reliance in this hard mission field. We desperately need your prayers for the souls in Provo-Orem. We also would love the help of missionaries, long- or short-term. Of course, we cannot do the work without partners. Will you be a part?

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.
