F3 MINISTRIES (VACAVILLE)

About the Family

I met my wife, Chan'te, 14 years ago, and we have been married for 12 years. We have four beautiful children: Izayah (11), Elyjah (10), Nateyah (6) and Josyah (4).

Chan'te and I have been involved in various ministries, such as children's ministry, couples' ministry and youth ministry. We were youth ministers for five years. We are heavily involved in our community through organized, youth sports leagues and various outreach events.

God has given me a burden for the lost and a vision to start a church that will reach young families for His kingdom.

About the Church Plant

F3 Ministries stands for Faith, Family, Fellowship.

Our mission is to minister to young families, providing biblically sound teaching that is cutting edge, innovative and relevant to all ages.

Service to our community is a big part of our church plant. We believe in meeting people where they are, providing for some of their basic needs and spending time with them in fellowship, all in hope of bringing them into a personal relationship with Jesus Christ.

The name of our church plant—Faith, Family, Fellowship—is based on Scripture. "Faith" refers to John 14:6; "Family" refers to Joshua 24:15; "Fellowship" refers to Acts 2:42-44.

Find out how you can

Pray.

Participate.

Provide.

PRAY.

- Pray for protection and unity for our family.
- Pray for our launch team and their families.
- Pray for the young families in the Vacaville area.
- Pray for our new Bible studies.
- Pray for a location where we can meet for service.

PARTICIPATE.

- Join our prayer team and receive prayer updates.
- Join our launch team by helping in areas of worship, adult ministry, Bible study/Sunday School, etc.
- Like us on Facebook or download our app on YAPP.com.
- Partner with us financially to help us with startup and monthly expenses.

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants. Contact me at n_ebuena@yahoo.com or scan the QR code below.
