LIBERATE CHURCH (ALIANTE)

About the Family

Brett has been in full-time Christian service as a ministry leader for nearly 30 years, serving in various positions such as senior pastor, lead assistant pastor and even as a Christian school administrator. He's been married to his best friend, Cindy, for 25 years. The Capacis have three beautiful daughters: Lauren (23), Hannah (21) and Reagan (16). All three girls love and are committed to Christ in a strong way.

Brett studied both English and history as an undergraduate and then theology and counseling in graduate school. He has had the privilege of speaking in many churches and conferences throughout the country and internationally, encouraging believers in their walk with Christ. Brett enjoys independent films, all kinds of good food and is an avid fan of the Boston Celtics, New Orleans Saints and the University of Memphis Tigers, where his two oldest daughters are alumni.

About the Church Plant

Liberate Church exists to declare and demonstrate the liberating power of a relationship with Jesus. Liberate Church is located in the Aliante area of North Las Vegas. Our atmosphere is welcoming and casual while our messages are challenging and engaging.

Our goal is for Liberate to be a place where people can connect, hear unchanging biblical truth in a way that is clear and compelling and know that they are welcome from the moment they arrive. We meet every Sunday in the Aliante Hotel ballroom at 10:30 a.m.

Pray.

Participate.

Provide.

PRAY.

–For the people of Aliante/Las Vegas/North Las Vegas, especially the unsaved and/or unchurched.

–For our leadership team and families: Brett Capaci, lead pastor; Rodney Julian, Connections pastor; Nathan Naoumi, Next Generation pastor.

PARTICIPATE.

There are two primary ways churches/individuals can partner with Liberate Church:

–Please pray. Prayer support is always needed and is always our foremost request.

–Come play! Contact us about a possible missions trip to Vegas!

PROVIDE.

There are numerous ways to help a church plant. Please visit
