

Jason Rudas

GENERATION MIRA COSTA (OCEANSIDE)

About the Family

I am a Southern California native, who is back in my homeland after serving the Lord in Texas and South Carolina. I am a Southwestern Baptist Theological Seminary graduate with a master's in Divinity.

I have been married to my wife, Stephanie, since 2012. We have two children under the age of two, one foster and one biological. We are expecting another baby in August.

The Lord has brought us to Oceanside to use our past experiences for His kingdom. Stephanie was raised in a military family much like most of the families in our community. I have a background in college ministry, and we are planting at a junior college.

Stephanie and I share a love for people and showing them the love of Christ. We have traveled to several different countries together doing missions work and are excited to see how God will work right here in Oceanside.

About the Church Plant

The community our plant seeks to reach is Mira Costa College. It is a campus made up of 12,000 students with only two Christian organizations.

We will be meeting on a weekly basis, as well as doing a monthly outreach. For now we are meeting in a church on Saturday evenings, but we hope to be on campus by September 2015.

The hearts of the people in our community are ready to hear the truth of who Jesus Christ is. (Romans 10:14-15)

Find out how you can

Pray.

Participate.

Provide.

PRAY.

- Pray that the Lord would bring us a worship leader.
- Pray that He would bring mature Christians to join us.
- Pray for access to the campus and our community.

PARTICIPATE.

- Consider joining us as we bring the lost to Christ in Oceanside, California.
- Pray! Pray for us, pray for our community and, if you are in the area, prayerwalk the community with us.
- Help with block parties/VBS in our community.
- Disciple younger believers in our congregation.

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.
